Our activities and tours will also follow most of the great golf action day and wine-tasting beyond the nights. Perhaps next day you are ready to try some water...water rafting on our wild and scenic rivers. Or, if you prefer, try river kayaking or ocean kayaking. Whatever class of river you want to run, you'll find it with LPA all inclusive tours.

Costa Rica Facts

1) Costa Rica is Safe and Close. Practically speaking it's safe, the people are friendly, and it's easy to get to. Costa Rica is a democratic republic. It has never seen the political unrest, class struggles, or revolutions commonly associated with other Latin American Countries. Costa Rica doesn't have or need an army because it is such a peaceful country it has no enemies foreign or from within.
